Uinta Basin Air Quality Issues and UO FIP 2-9-2017.docx

Hi Mike – I'm forwarding this fyi. I don't think you need to spend time reviewing. We didn't change the substance and mainly tried to shorten for OAQPS. This will be attached to meeting invite after Carl and Martin review. Monica, Claudia and I are all out tomorrow for planning purposes. Looks like you are too.

Thanks,

Gail
